

Baysville Friends' of the Library News

In Dec. 2010, a very successful original play, "**A Child's Christmas in Baysville**" was presented at St. Ambrose Anglican Church and Norway Point Church, as a fundraiser. This humorous presentation, based on reminiscences of Baysville residents, was written and produced by Gloria Woodside and Caroline Konarzewski.

Art Gallery: Stop by to view the work of local artists. New exhibits every month. A delightful addition to the Library. To enquire about exhibiting, call Judy Geller 766-2478 or Gloria Woodside 767-2220.
